*Award*

Due February 28, 2014

History: In 2012, the Scouters in **Etowah Creek District** started a new tradition of presenting an award to a Cub Scout or Boy Scout who has exemplified himself in at least one point of the Boy Scout Law. In 2013 Wyatt Morris was presented with the "A Scout is ..." award for demonstrating extraordinary kindness in his sharing for his fellow man and helpless animals. The award he received was aptly titled, "A Scout is Kind" award.

This year we would like to continue that tradition with another scout receiving the  
**"A Scout is ..." Award.**

**Please take note of your Scouts, observe them in their normal routines, and nominate a worthy Scout for this award. Write a brief description of why you feel he deserves the award and which point of the Scout Law he exemplifies.**
